

August 28, 2014

To Whom it May Concern:

ERI Solutions, Inc. provides their services to ICM, Inc. for purposes of environmental compliance, safety, process safety management and non-destructive testing and inspections in planning, design and manufacturing stages as well as in industrial facilities under the management of ICM, Inc.

In our experience the ERI Solutions, Inc. and its staff continues to demonstrate timeliness, knowledge, professionalism and a real desire to understand our business, its risks and needs to address those risks.

We highly recommend ERI Solutions, Inc. as a provider of environmental compliance, safety, process safety management and non-destructive testing and inspection services.

Sincerely,

Chris Mitchell
President
